There are six independent DELF-DALF certificates, which correspond to the six levels of the Common European Framework for Languages (CEFL):

- A1: introductory level (elementary user)
- A2: intermediate level (elementary user)
- B1: threshold level (independent user)
- B2: vantage level (independent user)
- C1: autonomy level (experienced user)
- C2: mastery level (experienced user)

Evaluate your communicative ability in real-life situations. Authentic documents are used, so that it is the candidate’s language skills that are tested (e.g. writing a letter, requesting information, giving an opinion, or debating an issue) rather than more formal linguistic and grammatical knowledge.

**REGISTRATION**

Register directly for the exam at the level you require, without any requirement to prove any prior course of study or to have passed any other exams.
